It is a school policy for students not to smoke or use illegal drugs. If you smoke, would you be willing not to smoke in front of the students so as not to create a double standard as an example?

I have read this form in its entirety and I understand and agree to its contents as a chaperone for the Grove City H.S. band.

Signature _____

PLEASE NOTE: as a chaperone, there may be times when you are asked to help with a task that may result in you missing your child's performance. This does not happen often, but you need to know that it is a possibility. If and when it happens, I will try and rotate assignments such that it does not happen to the same chaperone more than once. Please be flexible if you are asked to perform such a duty.

On the back of this form you will find a list of dates for which we need chaperones.

The head chaperone will contact you **ONLY** via e-mail concerning events you volunteered for. Please be diligent in checking the e-mail address you provide on a regular basis. Please read any e-mail you receive in its entirety for special instructions!!

Report times will be provided closer to the event, but are usually similar to your student's report time for a particular event. Please mark all those for which you are available.

I will send a schedule out early in the week of the event. Again, please be diligent about checking your e-mail each day. I will not be making phone calls to confirm your attendance. You must reply to my e-mail or you will be replaced.

If you do not receive an e-mail telling you that you are scheduled for that event, that means that I had more volunteers than necessary and did not use you that trip.

I do need to rotate new parents in from time to time, so if we are fortunate enough to have more volunteers than we need, it is possible you won't get every date for which you are available.
