

## SCRIP FUNDRAISER

### **DO YOU SHOP? WHY NOT HELP YOUR STUDENT AND THE BAND WHILE YOU DO IT?**

#### **What is Scrip?**

The Band Boosters sell gift cards through the Great Lakes Scrip Center (GLSC). Gift cards are available for over 500 retailers including department stores, restaurants, grocery stores, home improvement stores, theatres, electronic stores, gas stations, hotels, airlines and online stores. Cards are purchased at face value with a percentage returned to the Band. Your family account receives 90% while the Band general fund receives the remaining 10%. You are earning commission on the cards purchased.

#### **Scrip Dates**

Cards are ordered and distributed each week on Thursday evening. Email reminders will be sent out to Yahoo groups as to location and time. You can also look for reminders on Facebook. The email will include an attachment with step-by-step ordering instructions for your convenience. Drop off your order and payment on (or before) Scrip night and your cards will be available for pick-up the following Thursday.

#### **Getting Started**

To start ordering Scrip you need to register at [www.shopwithscrip.com](http://www.shopwithscrip.com).

- In the **Family Sign-Up!** Box click on **“Create Account”**.
- Follow the instructions to register. All information must be filled in including your email address. This information is not shared with anyone other than the Scrip Coordinator.

- Place your order before 4:00 pm on Thursdays.
- Print out a **Family Order Receipt** after completing your order and **write your student’s name on it**.
- Bring the receipt and your payment on Thursdays to Scrip drop-off. When making out your check, make it **payable to Grove City High School Band Boosters (or GCHSBB if you prefer)**. **Please add \$1 to help defray the cost of shipping.**
- Your order will **NOT** be processed until payment is made. If you cannot make it on Thursdays, contact your Scrip Coordinator to make other arrangements.
- Your order will be ready following Thursday night.
- Ninety percent (90%) of your Scrip earnings will go into your family account while the remaining ten percent (10%) will go into the Band’s general fund. A packing slip will be included with your gift cards showing how much your family earned with the order.

## **Alternatives to make Shopping with Scrip quicker and easier.**

### **PrestoPay**

PrestoPay is a convenient way for families to pay the Band Boosters for their orders, on-line, at the time they place their order. GLSC accepts their payment on our behalf.

GLSC will debit the designated account for the face value of the order plus a small convenience fee of \$0.15 on the day the order is placed. The Scrip Coordinator will release the order at the same time as the dropped off orders.

While PrestoPay is a great convenience, families can still elect to pay your organization via check. You will be given the option to select the payment type each time you order, during the check-out process.

### **Is this safe?**

Great Lakes Scrip Center has been successfully and accurately debiting organization's customer accounts via the banking industry's Automated Clearing House process for the past 14 years. Today over 90% of their customers elect to utilize this proven payment method.

They have worked very closely with their bank to assure the security of data transmission between the computer systems. All transmissions are via secure data links, and the data is encrypted before sending. All data you enter on our site is also transmitted via secure data links. Furthermore, GLSC has invested in the latest computer network security protocols, as defined by the Payment Card Industry.

Your data is safe with them.
